Event Overview:

The Department of Electronics, IT, Bt and S&T, Government of Karnataka (GoK), being the nodal Department for Startups in the state, conducted the 'Young Entrepreneurs Programme (YEP) for students of Bapuji Higher Primary English School, Davangere on 06th September '22, in collaboration with Startup Karnataka and New Age Innovation Network (NAIN) college -Bapuji Institute of Engineering and Technology (BIET). The event witnessed a participation of 106 students.

BIET is one of the district Innovation Hubs supported by the Government of Karnataka and incubated 20 ideas in the last three years

The programme's objective was to make students independent and self-reliant and expose them to the need for entrepreneurship, identifying a problem, product development, and building a business plan. This event encourages students to be innovative and take their innovation to the market.

Mrs. Poornima B, College Coordinator – BIET Incubation Centre, initiated the program and addressed the participants on behalf of the KITS director. She explained to students how to generate ideas using the knowledge of science and technology. She gave an overview to students on the various initiatives from the Department of Information Technology, Bio-Technology, Science and Technology – Government of Karnataka and the district Innovation Hub formed to provide an impetus to the Entrepreneurs amongst the college students. Mrs. Poornima further spoke about entrepreneurship and business opportunities that students can explore while at school.

Mr. Manjunath G.M, DIA, NAIN-BIET conducted the next session on introduction to entrepreneurship. Mr. Vishwananth Swamy, a successful entrepreneur, was another speaker for the day. Mr. Swamy explained the success story of his startup company practical problems he faced while establishing the startup. He concluded the session by answering the questions by student entrepreneurs.

Mr. Shiek Imran, a Local Mentor, conducted an Idea presentation competition for students and distributed prizes to the winners.

Event Outcome:

The session helped students understand entrepreneurship and the startup life cycle, the Difference between innovation and invention, identifying and providing solutions to societal problems and different funding schemes available in Karnataka. The programme included a case study discussion, examples of success stories, a Q&A session, and a meet and greet with local entrepreneurs and mentors. By the end of the session, all the students were trained to be exceptional problem solvers and motivated to be aspiring entrepreneurs.
