12:40 PM to 01:00 PM	Group Photo	

Event Overview:

The Department of Electronics, IT, Bt and S&T, Government of Karnataka (GoK), being the nodal Department for Startups in the state, conducted the **'Young Entrepreneurs Programme (YEP)** for school students of Vidyaashree Public School on 12th September '22, in collaboration with Startup Karnataka and New Age Innovation Network (NAIN) college - Alva's Institution of Engineering and Technology (AITE). The event witnessed a participation of 128 school students.

The programme's motive was to make students independent and self-reliant and expose them to topics on the need for entrepreneurship, identifying the problem, product development, and building a business plan. This event encourages students to be innovative and take their innovation to the market.

The program started with a brief Introduction to Entrepreneurship (Foster creativity and Innovation) by professor Bhavana Bidarkar. The next speaker, Professor S. Gururaj, gave an overview to students on the startup life cycle & its ecosystem and explained how to generate a business idea and execute it as a plan.

Ms Anuradha, CEO of Naaripad Innovation, discussed several case studies on successful startups and interacted with aspiring student entrepreneurs. Professor Gururaj, Manoj and Bhavana mentored the young entrepreneurs and clarified their doubts about the topics covered during the session.

Event Outcome:

The event helped students understand the benefits of becoming an entrepreneur and the skills and characteristics required to succeed in their journey. The programme included a case study discussion, examples of success stories, a Q&A session, and a meet and greet with local entrepreneurs and mentors. By the end of the session, the students learned the concept of the box thinking. All the students actively participated in the Innovation and Creativity brainstorming session and came up with their own ideas to solve problems in agriculture, rainwater harvesting, solar energy and waste management.
