12:20 PM to 12:40 PM	Meet and Greet with Student Entrepreneurs	Prof. Habeeb Ur Rehman And team
12:40 PM to 01:00 PM	Group Photo with School	

### Event Overview:

#### Objective:

The Department of Electronics, IT, Bt and S&T, Government of Karnataka (GoK), being the nodal Department for Startups in the state, conducted the **'Young Entrepreneurs Programme (YEP)** for students of Kunil ILMU Academy, Manjanade, on 6<sup>th</sup> September '22, in collaboration with Startup Karnataka and New Age Innovation Network (NAIN) college – P. A College of Engineering (PACE), Mangaluru. The event witnessed a participation of 109 school students.

The programme's objective was to make students independent and self-reliant and expose them to the need for entrepreneurship, identifying a problem, product development, and building a business plan. This event encouraged students to be innovative and take their innovation to the market.

The program started with a brief introduction to entrepreneurship by Dr Sandhya Anvekar, Head Skilling – Karnataka Innovation Technology & Society, Bengaluru. She inspired students to take entrepreneurship as their primary goal and how to think about problem statements by providing examples.

Dr Ramis MK, Principal, P.A College of Engineering, Mangaluru, conducted the next session on entrepreneurship's objectives, the need for entrepreneurship, positives in entrepreneurship, limitations, the importance of time freedom, financial freedom, and risk factors to become a successful entrepreneur.

Dr Krishna Prasad, Professor, P. A College of Engineering explained to students the startup life cycle from idea generation to executing a business plan. Mr. Mohammed Sadiq, Director of Tech Graylogix, was another speaker for the day. He explained the success story of his startup company practical problems he faced while establishing the startup. He quoted many inspirational personalities to enlighten the interest of students.

Professor Habeeb Rehman and his team concluded the session by interacting with students and clarifying their doubts about the topics covered.

### Event Outcome:

The session helped students understand the benefits of becoming an entrepreneur and the skills and characteristics required to succeed in their journey. The programme included a case study discussion, examples of success stories, a Q&A session, and a meet and greet with local entrepreneurs and mentors. By the end of the session, all the students were trained to be exceptional problem solvers and motivated to be aspiring entrepreneurs.
